

Pump Solutions Made Simple

Blackmer Pumps

Leaders in sliding vane, centrifugal, screw & regenerative turbine pump, & reciprocating gas compressor technologies.

Mouvex Pumps

World class seal-less, eccentric disc pumps. Offering technologies ideal for transferring harsh, shear sensitive, & expensive fluids, while providing the highest volumetric efficiency & product recovery in the market.

EnviroGear Pumps

High quality internal gear pumps, offered in magnetically coupled, mechanical seal, and asphalt modified versions. Used for safe & efficient transfer of high value & hard to seal fluids.

Gorman-Rupp Pumps

Self priming and end suction centrifugal pumps, submersible pumps, and rotary gear pumps for petroleum industries.

Milton Roy Pumps

Controlled-volume metering pumps & customized solutions that maximize uptime & lower maintenance costs.

Magnatex Pumps

Certified supplier of ANSI, Sub-ANSI, and API magnetically driven centrifugal pumps. Also available in mechanical sealed and Teflon lined versions.

Kinney Vacuum & M-D Pneumatics Blowers

Positive displacement blowers, mechanical vacuum pumps, vacuum boosters and engineered systems.

Finish Thompson Pumps

Growing supplier of fluid transfer pumps and recycling systems for the fluid handling and environmental markets.

Tuthill Pumps

Positive displacement pumping solutions including Lubrication, & Magnetically Coupled Pumps.

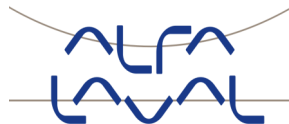

Top Line Pumps

Sanitary stainless steel centrifugal & lobe pumps, serving the food, beverage, dairy, pharmaceutical, biotechnological, and personal care industries

SANDPIPER Pumps

Rugged & reliable AODD pumps offering unrivaled durability & performance. Standard Duty/Evolution Series, and Heavy Duty/Signature Series Pumps.

Alfa Laval Pumps

Fluid handling through our key products – heat exchangers, separators, pumps and valves.

LMI/Milton Roy Pumps

Chemical Metering Pumps - Featuring enhanced performance and process control capabilities for accuracy, reliability and flexibility.

FLUX Pumps

Pumping, emptying, mixing, filling and metering - FLUX boasts the widest and deepest range of products and expertise.

More than just pumps

CRANE Pumps

World class manufacture of centrifugal pumps, including brands such as, Deming, Burks, and Weinman. Accessories and services are also available.

MP Pumps

Reputation for superior design, engineering and manufacturing of centrifugal pumps for a wide variety of applications.
